MEDIA RELEASE

AAT COMMENCES MANAGEMENT OF APPLETON DOCK – PORT OF MELBOURNE

For Immediate Release – April 1, 2014

Effective from 1st April 2014 AAT assumes the management and operation of Appleton Dock under its open access regime. As part of the Port of Melbourne's Port Capacity Project to cater for the dislocation of automotive and RoRo trade due the impending closure of Berths 3-5 at Webb Dock East, AAT will supplement its existing automotive terminal facilities at Webb Dock West with Berths B to E at Appleton Dock.

All enquiries regarding Appleton Dock should be directed to AAT's Melbourne Terminal Manager, Evan Wissell on (03) 8698 6936 or evan.wissell@aaterminals.com.au.
